“MICHELE CAGIDIACO” AWARD
for Dental Hygienist

The Italian Society of Periodontology and Implantology establishes the award “MICHELE CAGIDIACO” for the best poster presented at the 17th International Congress (Rimini, 5-7 March 2015) by a Dental Hygienists.

The best poster will be awarded the Prize and receive the sum of € 1,000,00= and free subscription to the Society for one year.

The posters should be related to dental hygiene practice based on scientific evidence and centered on the patient, and dealing about:

- Clinical and basic research on issues relating to the prevention of periodontal diseases;
- Series of clinical cases relating to innovative methods of prevention of periodontal diseases;
- Motivation strategies and communication to improve patient compliance in periodontal therapy.

Abstracts must be submitted by February 7, 2015 using the specific electronic form that can be filled in at the Italian Society of Periodontology and Implantology website: www.sidp.it. The SldP Secretary will then forward the abstracts to the Assessment Commission for pre-selection.

Posters accepted to compete will be shown in a dedicated area of the Convention Center hosting the 17th International Congress and will be examined by a Commission composed of both well known academics and private practitioners.

The winning poster will be presented during the final session of the 17th International Congress (Saturday, March 7th) and will be published on the Italian Society of Periodontology and Implantology website www.sidp.it.
